To Whom It May Concern:

I have had the distinct pleasure to serve as Preceptor for Gwendolyn Childress during her educational endeavors at Auburn University. I have had the opportunity to witness her tremendous growth and development during her preceptorship at my office. She has been more than the ideal Nurse Practitioner student. Gwendolyn is an intelligent, capable, and personable individual. She has been consistently alert, using clear clinical judgment in all situation in which I have observed her.

She has gained my deepest respect. I feel confident in saying that she is capable of handling any situation with thoughtfulness and care. Gwendolyn would be a tremendous asset to any agency/office. I recommend her to you without reservation. If you have any questions, please do not hesitate to contact me at (334)262-2071.

Respectfully submitted,

Dr. Leon Davis
