To Whom It May Concern:

I am writing this reference at the request of Gwendolyn Childress, who has been precepting with me for the spring term 2013 as an Auburn nurse practitioner student. I had the pleasure of getting to know Gwen during the preceptorship and she is a delightful astute nurse practitioner student. Based on her attendance, performance and social interaction with residents and staff, I would rate her performance as exceptional.

Gwendolyn Childress has a number of strengths to offer an employer. She is always interested in helping others. For example, there was a specific teaching curve for a nurse on the floor with urinary devices and Gwen offered positive teaching for the specific situation which resulted in overall positive outcome for patient and nurse.

In conclusion, I would highly recommend Gwen Childress for any adventure in nursing that she would choose. If you need any additional information, feel free to contact me at 334-312-4996, or by email at hutchinsa@jackson.org

Sincerely,

Adelle Hutchins, RN, MSN, FNP
